Farewell Mrs. Daggett

Mrs. Daggett has been a teacher at Maroa Forsyth and adviser to FCCLA for 37 years. She enjoys teaching Family & Consumer Science--teaching students life skills that they will use everyday of their life! She is a huge Cubs fan, loves to read, to be outdoors camping or on the water, and to spend time with family and friends. She was a former Warrensburg-Latham Cardinal, attended Illinois State University, met her husband, and has been a Trojan fan ever since. They have two daughters who both graduated from MFHS, one is an attorney, and the other is an elementary school teacher. She has two grandsons. Mrs. Daggett will be retiring at the end of this school year with 38 years teaching experience.

Spirit Week

Homecoming Week is the most anticipated week of the year. During this week, students go all out to dress up in the most hilarious and outrageous outfits they can find. Everyone definitely **EXPECTS THE BEST** of students' creativity during this week. This year, Spirit Week was changed around when Field Day was moved to Wednesday because of rain in the forecast for Friday. Despite the change in the schedule, everyone tried to make the best of the week.

In 2014 we EXPECTED THE BEST from our girls! The senior and junior classes proved to be just as tough as the boys in the annual Powder Puff game! Kicking off with t-shirt decorating and a cookout and ending with the annual bonfire, Powder Puff was a huge success! It was a close game but the senior girls dominated 2-0 winning on a very memorable safety. In the end all of the girls had fun with this annual part of homecoming.

F I E L D DAY

EST out of each class during Field Day. This year, field day took place on Wednesday due to some weather issues. The senior class and also many other students were disappointed for the fact that field day did not take place on Friday like it usually does. Due to the disappointment on this issue, the standings of field day did not turn out in the seniors' favor this year because they provided a lack of effort during the games. The standings of field day were as follows: First place was awarded to the juniors, there was a two-way tie for second place that was awarded to the seniors and also to the sophomores, and then last but not least the freshmen, in last place of course. Although field day did not occur on its normal day and the seniors did not come out on top, everyone still enjoyed field day and had fun like always.

This year the Student Council at Maroa-Forsyth High School was proud to announce Diane Daggett as our Grand Marshal for Homecoming of 2013. Mrs. Daggett is retiring this year with the senior class of 2014. Mrs. Daggett has been the FCCLA chapter adviser at Maroa-Forsyth and a teacher of Family Consumer Sciences for 37 years. Mrs. Daggett will be greatly missed; she has influenced many individuals at Maroa-Forsyth and will be hard to replace.

On October 4th, bright smiling children, parents, and members of the Maroa-Forsyth community lined the streets and watched as the fire trucks, homecoming court, class floats, Cheerleaders, Trojanettes, the band, and many other school organizations paraded through the streets of Maroa. It's a big annual tradition in the Maroa-Forsyth community; they EXPECT THE BEST and we deliver with creative, unique floats.

HOMECOMING PARADE

Homecoming

Every year the Trojans and the fans EXPECT THE BEST out of the homecoming football game and this year was no different from any other, as the boys would face Argentina-Oceans. The Trojans came out and torched A&O on the first play with a 76 yard touchdown pass from Jack Hockaday to Clayton Zilz. It was downhill from there for the Bombers, who were out-matched against the Trojans. The Trojans went on to get the victory that evening with a 49-15 final score against A&O.

9 Consecutive Okaw Valley Conference CHAMPIONS

Every season, the Maroa-Forsyth football program **EXPECTS THE BEST**. The Trojans had an outstanding year this year with a record of 12 wins and 1 loss. Unfortunately, the Trojans fell short this year in the Semi-Final game against Tri-Valley, but over all had an outstanding season. The Trojans made a statement on the last year of being a part of the original Okaw Valley Conference, by claiming their 9th consecutive Okaw Valley Conference Champion title. Next year the Trojans will keep the Okaw Valley Conference name and add five new schools to the mix, because many of the former Okaw Valley schools are leaving to join the CIC. This season, the football program had one of their best seasons with a total team record of 30 wins and 1 loss. Both the Junior Varsity and the Freshmen team went undefeated this year. This year the Trojans say goodbye to 14 seniors: Alec Martin, Arber Emroski, Brock Elliott, Clayton Zilz, Drew Fredericksen, Grant Marin, Josh Ratts, Jacob Barra, Joey Ziegler, Jordan Bond, Justin Mikeworth, Khalil Neal, Tyler Ortmann, and Jacob Murphy. Of those 14 seniors, five are continuing their football careers elsewhere. Justin Mikeworth and Arber Emroski are both taking their talents to Truman State. Jordan Bond will attend McKendree. Clayton Zilz is going to Lindenwood and Drew Fredericksen will be playing at Gustavus Adolphus College in Minnesota. The 2014 Seniors and the football program made the Maroa-Forsyth Community proud and will continue to do so in the coming years.

Every year, the boys soccer team has a goal: Play their hardest every game, and absolutely never give up. After losing more than half of their starters from last year, the boys had a lot of skill they needed to find in just a few weeks. The only returning starter from Maroa was Senior Chapman Schanefelt, who was also the only captain from Maroa this year. After only playing for half the season in 2012 due to injury, he had a lot of momentum to gain back up. Among just a few of the new starters from Maroa this year, the team had the Huffman Brothers, Gale and Nole, and boy, what a season they had. Both suffered from injuries and were out more than half the season. Gale was able to return after having a concussion, but Nole was never able to make it back on the field after breaking several bones in his leg in a bizarre, freak accident with a collision with another team's goalie. Besides having all the injuries on the team, the boys were able to put up lots of shots and several goals throughout the season. The boys finished strong and gave the community a reason to **EXPECT THE BEST.**

It is no surprise that athletes at Maroa-Forsyth EXPECT THE BEST. With the most motivated, tight-knit team in years, the volleyball team expected nothing but the best. After winning the Clinton Tournament at the beginning of the season, the Lady Trojans went on to go undefeated in not only matches but in sets as well, in the Okaw Conference. The Lady Trojans also went on to take the title of the Conference they will no longer be a part of. The volleyball team made a statement when they won their Regional for the first time in 7 years. After a hard-fought, PACKED sectional game, the Lady Trojans ended their season with a record of 29 wins and 6 losses, without losing a single game on their home court. The Lady Trojans 2013 volleyball season was the most memorable, amazing season they could have asked for. #MFVB

2013 MF-WL Golf Team Roster

Sean Johnson (WL), Lewis Brown (WL),
Tanner Woodruff (WL), Spencer Underwood (MF),
J.T. Grider (MF), Cooper Hitchens (MF),
and Coach Massey.

Pictured below is Dylan Flock, a freshman, lining up a putt. Dylan secured a spot on varsity early in the season, and he won the J-V Blue Ridge Invitational. Dylan missed advancement to sectionals by only a couple strokes.

Collyn Richards, a sophomore pictured above, was also a new member of the team this year. Collyn didn't see much varsity time but he was an asset to the team with his personality!

Spencer Underwood, above, was a standout for the MF-WL golf team this year. Spencer started varsity all four years of school and reached sectionals twice, along with an appearance at the 2013 State Tournament. Spencer's highlights throughout his school career include a 2nd place finish at the Taylorville Invite, a 5th place finish at the 2013 regionals, and a 6th place finish at the 2013 sectionals. Congratulations to Spencer!

The Maroa-Forsyth Warrensburg-Latham Golf team had a fantastic year, especially with the welcoming of first time Coach Massey. The Trojans battled through the season with a 20-1 record with their only loss coming from Williamsville, a team they beat by 20 later in the season. The varsity team consisted of Sean Johnson, Lewis Brown, Tanner Woodruff, Spencer Underwood, J.T. Grider, and Cooper Hitchens. At the conference tournament MF-WL was the heavy favorite, but after arriving an hour late, it was questionable to whether they would play; but, they ended up winning their second straight Conference!

The Trojans had three members of the team advance out of regionals and lone senior Spencer Underwood qualified for state after a 6th place finish at sectionals.

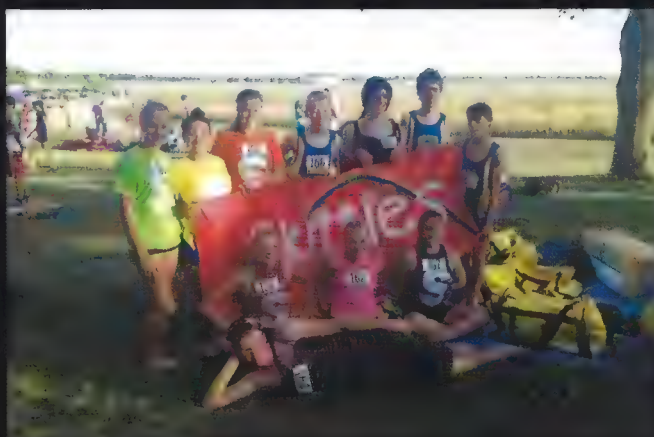

BOYS GOLF

Cross Country

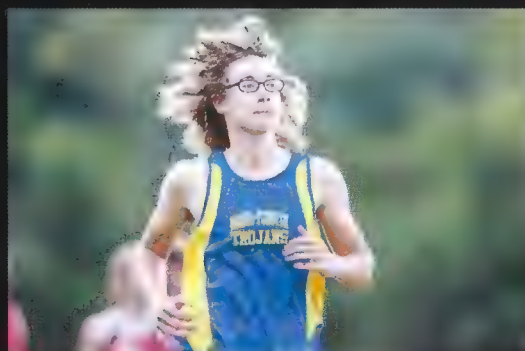

The 2013 Maroa-Forsyth country team consisted largely of underclassman. For being such a young team, they had a fairly decent year. Coach Atherton only had a few graduating seniors this year, and will have the majority of her team returning next year. A few of the top runners on the team were freshmen who will be returning in 2014. With the implementation of off-season workouts and summer yoga sessions, and with a few four-year starters, the team is giving its fans every reason to **EXPECT THE BEST** in the coming years.

The 2013-2014 wrestling co-op led by Coach Gary Cook finished the season with a record of 20-4. Despite sending four individuals to the state tournament, the team fell short of making it out of regionals. The 2013-2014 wrestling team was comprised of 29 wrestlers; this will allow the team to build as most of them are returning.

With so many athletes on the boys basketball team this year it was hard not to **EXPECT THE BEST** for the season. Having at least half of the players with only a couple practices under their belt because of football, when game time came the Trojans got off to a rough start. Once the team started to mesh and recovered from multiple injuries, the boys had some exciting wins. Fans packed the gym and the players played their hearts out in games. The Trojans ended their season with a record of 7-20 after losing to a dominant team in Regionals.

The girls strive to do their best every year. This year the Lady Trojans ended their season with a record of 16-10. Even through the ups and downs the girls still stuck together and played as a team. The ultimate goal for the girls was to have fun throughout their season and that is never hard to accomplish. The Trojans graduated three seniors this year that contributed immensely to the team. The seniors will be greatly missed and there will definitely be big shoes to fill for the years to come but with the help of our quick and scrappy underclassmen on the team, that won't be a difficult task to fulfill. MFHS and the community can always **EXPECT THE BEST** from the girls basketball program.

This year Maroa-Forsyth baseball had reason to **EXPECT THE BEST** with 7 of 9 starters returning. The Trojans were led on the mound mostly by senior Josh Ratts and the emergence of freshman Logan Allsup. Ratts threw 4 complete games and 1 no hitter over the course of the season, and is continuing his baseball career at Kaskaskia next season. The Trojans had big wins over St. Teresa, Shelbyville, and Tuscola in route of a second place okaw finish. 3 players were named all-conference and Alec Martin became the first 2x winner of the Kevin Koslofski award.

In the spring, one of Maroa-Forsyth's strongest competing sports teams really did EXPECT THE BEST this year. With so many returning varsity players and strong newcomers, the Lady Trojans Softball team set their minds to work hard all season with their eyes on the prize. Starting the season with some killer workouts, the devoted players grew stronger together and soon not just teammates but best friends. The Lady Trojans started off the season strong with some big wins and kept the season going with some victories over other powers in the conference. With a Conference Title for the third year in a row, making that a conference record of 31-2 for the past three seasons, and a 2014 season record of 27 and 4, the Lady Trojans ended their season in the regional championship to the Monticello Sages who advanced to the State Tournament. With so many memories, emotions, and relationships this season, it will not be a year to forget. FSUPS Forever.

Track and Field

This year the Maroa Forsyth Community EXPECTED THE BEST out of the Track and Field team being that it is only the teams second year without their co-op with W-L. The team was coached by Ohlemeyer, so that means there was never a dull moment at practice or at any of the meets. The team only consisted of a few team members so no big meets were won this year, but the boys 4x1 team advanced to Sectionals and placed sixth. Although no big accomplishments were made by the team this year personal records were acheived, the team ultimately had fun, and many memories were made.

BAND

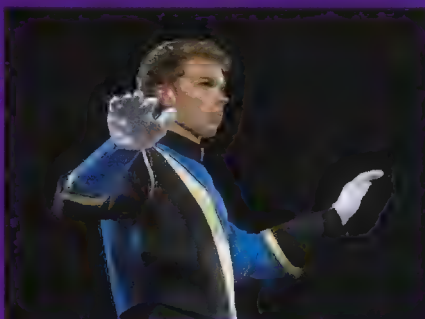

This year, the band got a new director, Mr. Joshua Youngs. He has done a great job adjusting with the band and even took them to 2 marching band competitions, where they brought home the Best Drum Major Award for Class 1A (Chapman Schanefelt). The students have really grown to like him and he is a lot of fun to have around. The band took a trip along with choir to New York City this year and played on a real Naval Ship (USS Intrepid)! They also played at a Millikin University basketball game as the pep band! You can **expect the best** from MFHS Band for many years to come as the numbers grow and the sound gets better!

The Maroa-Forsyth choir has had an eventful school year! Between numerous concerts, performing the National Anthem at Millikin University, appearing at Little Theatre On The Square as guest performers, the school musical, and a trip to New York, Mr. Weisenborn and the students have been extremely busy! This year, the choir had 2 students (Emilee Oliver and Chapman Schanefelt) try out and participate in the Honors All-State Choir. They left school for 3 days and were part of the top 300 singers in the state. That is the highest rank possible at the high school level and is the significance of going to state in a sport. So even though football didn't make it, at least the arts did! With these countless opportunities, the students have grown as a choir and have improved as performers. Mr. Weisenborn and the Maroa-Forsyth community **expect the best** of the choir, and they are sure to impress!

Set in an island paradise during World War II, two parallel love stories are threatened by the dangers of prejudice and war. Nellie, a spunky nurse from Arkansas, falls in love with a mature French planter, Emile. Nellie learns that the mother of his children was an island native and, unable to turn her back on the prejudices with which she was raised, refuses Emile's proposal of marriage. Meanwhile, the strapping Lt. Joe Cable denies himself the fulfillment of a future with an innocent Tonkinese girl with whom he's fallen in love out of the same fears that haunt Nellie. When Emile is recruited to accompany Joe on a dangerous mission that claims Joe's life, Nellie realizes that life is too short not to seize her own chance for happiness, thus confronting and conquering her prejudices.

F FCCLA is a national student organization that has leadership development, career preparation, and personal growth. Students learn skills for life planning, goal setting, problem solving, decision making, and interpersonal communication. People can **C** **Expect the Best** out of FCCLA members, as it is the only student organization with the family as its focus. Members have the opportunity to **C** demonstrate leadership skills through participating in proficiency events, showcasing community service projects, exploring careers, attending educational sessions and electing **L** chapter, state, and national officers. **A**

FFA

FFA **EXPECTS THE BEST** from their members and officers. The FFA organization does a lot of activities to help the community; for example, food drive, agucation, volunteer at the Farm Progress Show, planting trees at Weldon Springs, and so much more. FFA promotes leadership and another way to work as a team. The advisor, Cassie Crouch does an amazing job getting the group involved and getting the Maroa-Forsyth FFA name publicized.

This year, the WYSE Team had its most successful year ever. The team made it to the State competition at the University of Illinois and placed 4th in the Boundaried School Division. From the first competition at Richland to Sectionals at Eastern to State, many individuals placed in various categories to help the team advance. Rachel Smith, Neha Verma, Aubrey Laskowski, and Emily Ma placed numerous times and were integral parts of the team.

The Juniors and seniors at Maroa-Forsyth High School expected nothing but the best night on May 3, 2014 when the guys dressed to the nines and picked their gorgeous dates up for a night themed "Diamonds are Forever". The girls definitely blew it out of the park with the best, prettiest dresses in the area. The classy-dressed guys flaunted their dates on their arm at Grand March and then escorted them to the perfectly decorated Decatur Club for a wonderful dinner and some fun dancing following. With so many pictures, memories, and fun conversations, the "Diamonds are Forever" night was definitely a night to remember.

From day one, the yearbook staff has expected nothing but the best out of this year's book. Although it may sound easy, creating this yearbook for you was far from that. Long hours and many late nights of editing were put into making this book as perfect as possible! We would like to personally thank the staff for all of their hard work all year round to make sure that you receive a book full of memories from your years here at MFHS. We would also like to thank Ms. Perion, our adviser. This being her first year, we definitely put a lot of stress on her with all of our expectations for this book, but she did a heck of a job and we couldn't have done it without her and we honestly can't thank her enough! The Yearbook staff here at MFHS consistently does a fantastic job, putting in long hours outside of school and working as a team to meet deadlines, so you can always

EXPECT THE BEST year after year out of the Yearbook. But we especially hope that your expectations were met as you enjoyed Trojanaire Volume 104. It's always a great day to be a Trojan!

"Achievement is largely the product of steadily raising one's levels of aspiration and expectation." -John Nicklaus

Here at Maroa-Forsyth our expectations of all things that are to occur throughout the school year have already been risen to the highest bar; that is why achievement is a very common trait here at Maroa-Forsyth High School. EXPECT THE BEST out of everything doesn't stop after your high school years are finished. EXPECT THE BEST in all that you wish to accomplish throughout your life and achievement will most definitely be seen. EXPECT THE BEST out of your family life, your career, and your personal life. EXPECT THE BEST out of your friendships, relationships, and acquaintances. EXPECT THE BEST out of your dreams and your goals. But, most importantly EXPECT THE BEST out of yourself. Push yourself to your limits, do things you would never dare to do, and achieve everything that you have ever imagined. Your years at MFS are just a small embark before the rest of your journey through life; embrace them, cherish the memories and EXPECT THE BEST out of what lies ahead for you.

- your 2013-2014 editors
